## Abstracts Sought

Nurses and other healthcare providers interested in holistic nursing, health, and healing are invited to submit abstracts for paper, symposia, or poster presentations related to the conference theme and goals on relevant education, research or practice.

## Submission Guidelines and Deadlines

To submit an abstract, visit [www.mrmnursingtheory.org/nextconference.html](http://www.mrmnursingtheory.org/nextconference.html) and click on Conferences tab. Abstracts and curriculum vitae for each presenter are due by **March 17, 2012**. Questions regarding the abstract process may be directed to Riki Scheela at [riki@paulbunyan.net](mailto:riki@paulbunyan.net) or (218) 333-3674.

## Conference Theme

This conference focuses on how nurses can facilitate the holistic healing process. Conference participants will engage in discussions centered on the many ways in which communicating and connecting facilitate healing in individuals, groups, and systems. Attendees will have the opportunity to interact around common philosophical themes and be part of an international audience.

## Conference Goals

Promote holistic theory-based, person-centered nursing across populations through research, education, and practice. Provide a forum for discussing strategies to enhance the healing process through interactive, interpersonal relationships. Contribute to the improvement of health care by creating environments that facilitate holistic healing through communicating and connecting. Promote greater understanding of healing and the interface with Modeling and Role-Modeling nursing theory. Disseminate knowledge of Modeling and Role-Modeling theory acquired through research, practice and education.

## Fees

All paper and poster presenters must register for the conference. Conference presenters are expected to assume costs related to travel, accommodations, and registration.
