

A selected list of MRM focused research projects.

CONSTRUCTS EXPANDED/TESTED				
Self-care knowledge (SCK)		Author	Concept(s) studied	Source
		Erickson, H. (1986)	Concepts embedded in SCK	Diss Abstr # 45-06B, p. 1731, AAF8412136
		Baldwin, C. (1996)	Perceptions of hope	The J of Multicultural Nurs & Health. 2(3), 41-45.
		Hertz, J. (1996)	Perceived enactment of autonomy (PEA)	Issues in Ment Health Nurs. 17, 261-273.
		Bowman, S. (1998)	Perceptions of a healing environment.	Diss Abstr # B 60/07, p. 3199
		Leidy, N. K. (1999)	Perceptions of functional performance	Res in Nurs & Health, Vol 22(1): 67-77
		Acton, G., Mayhew, P., Hopkins, B., Yauk, S. (1999)	SCK in persons with dementia	J of Geronto Nurs. 25(2), 6-13.
		Weber, G (1999)	SCK & well-being	Western J of Nurs Res, 21(6), 785-795
		Erickson, H. (2000)	SCK exploratory study	MRM: Theory, practice and Res. Vol 1(1), pp178-202.
		Hwang, H. & Lin, H. (2003)	PEA and well-being	J of Nurs Res 11(4): 277-86.
		Baas, L., Allen, G., Wizer, M & Wagoner, L. (2004)	Body awareness	J of Cardiovasc Nurs. 19(1), 32-40.
		Beery, T., Baas, L., Fowler, C. & Allen, G. (2002)	Self reported adjustment to cardiac devices	J of Cardiovasc Nurs. 22(6), 516-24.
Self-care resources (SCR)		Barnfather, J. (1987)	SCR and Basic needs	Diss Abstr # , 49/02-B, 0360.
		Irvin, B. (1993)	Support, self-worth & hope as SCR	Diss Abstr # 54(06), B2995
		Barnfather, J. & Ronis, D. (2000)	SCR, stress & health	Res in Nurs & Hlth. 23, 55-66.
		Baas, L. (1992)	SCK, SCR, activity level, &	Diss Abstr # B 53/04, p. 1780,

A selected list of MRM focused research projects.

			life satisfaction	Oct 1992
		Irvin, B & Acton, G. (1997)	Stress, hope & well-being	Holist Nurs Practice. 11(2), 69-79.
		Baas, L. & Bhat, G. (1997)	SCR and Quality of life	Progress in Cardiovasc Nurs. 12(1), 25-38.
		Baas, 2004	SCR and quality of life	Dimens of Crit Care Nurs. 23(3), 131-138.
		Matsui, M & Capezuti, E. (2008)	PEA & SCR	Geratric Nurs Vol 29(2): 141-47.
Self-care actions (SCA)		Leidy, N. K. (1996)	SCA and COPD	Adv Nurs Sci, 18(3): 77-89.
		Hertz, J., & Anschultz, C. (2002)	PEA, SCA, & Health	J of Holist Nurs. 20, 166-186.
Affiliated-individuation (A-I)		Acton, G., Miller, E. (1996)	A-I in caregivers	Issues in Ment Health Nurs. 17, 245-260.
		Anschultz, C. (2000)	PEA and life satisfaction.	Masters thesis, Fort Hays State Univer, Kansas
		Acton, 1997	The mediating effect of affiliated individuation in care-givers of adults with dementia.	J of Holist Nurs. 15 (4): 336-357
Needs status		Keck, V. (1989)	Social support and need status	Diss Abstr # 50, 3921B.
		Timmerman, G. & Acton, G. (2001)	Need status and emotional eating	Issues in Ment Health Nurs., 22(7), 691-701.
		Cleary, J. & Crafti, N. (2007)	Need status & emotional eating	Can J. Of Appl Psychology Vol 3, (2).
Development processes		Miller, S. (1986)	Development residual and coping ability	Diss Abstr # 47, 4113B.
		Darling-Fischer, C. (1987)	Development residual, support and adaptation	Diss Abstr # 48-06B, p. 1640, AAF8720254
		Kline, N. (1988)	Development residual and chronically ill	Diss Abstr # 49-06B, p. 2129, AAF8812927
		Kline, N. (1990)	Development residual, stress, & symptoms	Nurs Res, 39, 230-236.
		MacLean, T. (1992)	Development & life events	Issues in Ment Health Nurs.

A selected list of MRM focused research projects.

				13, 403-414.
		Curl, E. (1992)	Developmental residual and hope	Diss Abstr # 47, 992B
		Sophauser, C. (1996)	Hostility, self-esteem & develop. residual	Diss Abstr # B 58/01, p. 138
		Baas, L., Beery, T., Fontana, J. & Wagoner, L. (1999)	Development, growth in heart failure patients	J of Holist Nurs. 17(2), 117-138.
Adaptation		Erickson, H. & Swain, M. A. (1982)	Adaptive potential and well-being	Res in Nurs and Health. 5, 93-101
		Barnfather, J., Swain, M., Erickson, H. (1989)	Construct validity of APAM	Issues in Ment Health Nurs. 10, 23-40.
		Barnfather, J., Swain, M., & Erickson, H. (1989)	Construct validity of APAM	Nurs. Sci Q, 2, 172-182.
		Kline, N. (1989)	Stress and chronic illness	J of Adv Nurs. 14, 868-76.
		Irvin, B. & Acton, G. (1996)	Stress mediation	Nurs Res 45(3), 160-66.
Attachment, loss, grief, reattachment		Erickson, M. (1996)	Predictors of maternal-fetal attachment	Online J. of Know Synthesis in Nurs. 3(8)
		Erickson, M. (1996)	Need status, support, maternal attachment	Diss Abstr # 57-06 (B), 3653
Holism		Beery, T. & Baas, L. (1996)	Spiritual well-being and heart failure	J of Holist Nurs. 20(1), 5-30.
		Erickson, M. (1996)	Maternal attachment and infant well-being	Issues in Ment Health Nurs. 17, 185-200.
		Beery, T. & Baas, L. (1996)	Attachment & medical devices	Issues in Ment Health Nurs, 17, 233-243.
TOOLS DEVELOPED		Author	Tool	Source
Adaptation		Erickson, H. (1976)	Adaptive Potential Assessment Model (APAM)	Master's thesis, The University of Michigan
		Benson, D. (2003)	Group APAM	Diss Abstr # 3114708
		Berry, T., Baas, L, Mathews, Burrough, J. & Henthorn, R. (2005)	Implanted Device Adjustment Scale	Dimens of Crit Care Nurs. 24(5), 242-248

A selected list of MRM focused research projects.

SCK		Hertz, J. (1991)	Perceived enactment of autonomy tool (PEA)	Diss Abstr # 52, 1953B
Attachment/loss/grief/reattachment		Robinson, K. (1992)	Denial scale (stage in grieving)	Diss Abstr # B 53/12, p. 6226
Needs: Being-Deficit Orientation		Erickson, M. (1996)	Maternal infant bonding, attachment tool (EMBAT)	Diss Abstr # abstract # 57-06 (B), 3653
Development residual		Darling-Fisher, C. & Leidy, N. (1988)	The Modified Eridson Psychosocial Stage Inventory (MEPSI)	Psychological Reports, 62, 747-754.
PRACTICE/INTERVENTION STUDIES		Author	Tested	Source
